21 Failure to undergo and complete a psychiatric evaluation and psychological testing, or comply with

25 shall within 30 calendar days of the receipt of notification of such a recommendation submit to the  
26 Division or its designee for prior approval the name and qualifications of a board certified

5 designee and any other information the psychotherapist deems relevant and shall furnish a written  
6 evaluation report to the Division or its designee. Respondent shall cooperate in providing the  
7 psychotherapist any information and documents that the psychotherapist may deem pertinent.  
8 Respondent shall have the treating psychotherapist submit quarterly status reports to the Division  
9 or its designee. At the completion of any recommended psychotherapy, the Division or its designee  
10 may require respondent to undergo another psychiatric evaluations by either the board certified

12 not available, by a Division appointed board certified psychiatrist.

13           If, prior to the completion of probation, respondent is found to be mentally unfit to  
14 resume the practice of medicine without restrictions, the Division shall retain continuing jurisdiction  
15 over respondent's license, and the period of probation shall be extended until the Division  
16 determines that respondent is mentally fit to resume the practice of medicine without restrictions.  
17 Respondent shall pay the cost of all psychotherapy and psychiatric evaluations.

18           Failure to undergo and continue psychotherapy treatment, or comply with any  
19 required modification in the frequency of psychotherapy, is a violation of probation.

20           4.     NOTIFICATION     Prior to engaging in the practice of medicine, the  
21 respondent shall provide a true copy of the Decision(s) and Accusation(s) to the Chief of Staff or the  
22 Chief Executive Officer at every hospital where privileges or membership are extended to  
23 respondent, at any other facility where respondent engages in the practice of medicine, including all  
24 physician and locum tenens registries or other similar agencies, and to the Chief Executive Officer  
25 at every insurance carrier which extends malpractice insurance coverage to respondent. Respondent  
26 shall submit proof of compliance to the Division or its designee within 15 calendar days.

27           This condition shall apply to any change(s) in hospitals, other facilities or  
28 insurance carrier.

1                   5.     OBEY ALL LAWS Respondent shall obey all federal, state and local laws,  
2 all rules governing the practice of medicine in California, and remain in full compliance with any  
3 court ordered criminal probation, payments and other orders.

4                   6.     QUARTERLY DECLARATIONS Respondent shall submit quarterly  
5 declarations under penalty of perjury on forms provided by the Division, stating whether there has  
6 been compliance with all the conditions of probation. Respondent shall submit quarterly  
7 declarations not later than 10 calendar days after the end of the preceding quarter.

8                   7.     PROBATION UNIT COMPLIANCE Respondent shall comply with the  
9 Division's probation unit. Respondent shall, at all times, keep the Division informed of respondent's  
10 business and residence addresses. Changes of such addresses shall be immediately communicated  
11 in writing to the Division or its designee. Under no circumstances shall a post office box serve as  
12 an address of record, except as allowed by Business and Professions Code section 2021(b).

13                         Respondent shall not engage in the practice of medicine in respondent's place of  
14 residence. Respondent shall maintain a current and renewed California physician's and surgeon's  
15 license.

16                         Respondent shall immediately inform the Division, or its designee, in writing, of  
17 travel to any areas outside the jurisdiction of California which lasts, or is contemplated to last, more  
18 than 30 calendar days.

19                   8.     INTERVIEW WITH THE DIVISION, OR ITS DESIGNEE Respondent shall  
20 be available in person for interviews either at respondent's place of business or at the probation unit  
21 office, with the Division or its designee, upon request at various intervals, and either with or without  
22 prior notice throughout the term of probation.

23                   9.     RESIDING OR PRACTICING OUT-OF-STATE In the event respondent  
24 should leave the State of California to reside or to practice, respondent shall notify the Division or  
25 its designee in writing 30 calendar days prior to the dates of departure and return. Non-practice is  
26 defined as any period of time exceeding 30 calendar days in which respondent is not engaging in any  
27 activities defined in Sections 2051 and 2052 of the Business and Professions Code.

28                         All time spent in an intensive training program outside the State of California which

1 has been approved by the Division or its designee shall be considered as time spent in the practice  
2 of medicine within the State. A Board-ordered suspension of practice shall not be considered as a  
3 period of non-practice. Periods of temporary or permanent residence or practice outside California  
4 will not apply to the reduction of the probationary term. Periods of temporary or permanent  
5 residence or practice outside California will relieve respondent of the responsibility to comply with  
6 the probationary terms and conditions with the exception of this condition and the following terms  
7 and conditions of probation: Obey All Laws; Probation Unit Compliance; and Cost Recovery.

8           Respondent's license shall be automatically canceled if respondent's periods of  
9 temporary or permanent residence or practice outside California total two years. However,  
10 respondent's license shall not be canceled as long as respondent is residing and practicing medicine  
11 in another state of the United States and is on active probation with the medical licensing authority  
12 of that state, in which case the two year period shall begin on the date probation is completed or  
13 terminated in that state.

14           10.     FAILURE TO PRACTICE MEDICINE - CALIFORNIA RESIDENT In the  
15 event respondent resides in the State of California and for any reason respondent stops practicing  
16 medicine in California, respondent shall notify the Division or its designee in writing within 30  
17 calendar days prior to the dates of non-practice and return to practice. Any period of non-practice  
18 within California, as defined in this condition, will not apply to the reduction of the probationary  
19 term and does not relieve respondent of the responsibility to comply with the terms and conditions  
20 of probation. Non-practice is defined as any period of time exceeding 30 calendar days in which  
21 respondent is not engaging in any activities defined in sections 2051 and 2052 of the Business and  
22 Professions Code.

23           All time spent in an intensive training program which has been approved by the  
24 Division or its designee shall be considered time spent in the practice of medicine. For purposes of  
25 this condition, non-practice due to a Board-ordered suspension or in compliance with any other  
26 condition of probation, shall not be considered a period of non-practice.

27           Respondent's license shall be automatically canceled if respondent resides in  
28 California and for a total of two years, fails to engage in California in any of the activities described

1 in Business and Professions Code sections 2051 and 2052.

2 ///

3 11. COMPLETION OF PROBATION Respondent shall comply with all  
4 financial obligations (e.g., cost recovery, restitution, probation costs) not later than 120 calendar days  
5 prior to the completion of probation. Upon successful completion of probation, respondent's  
6 certificate shall be fully restored.

7 12. VIOLATION OF PROBATION Failure to fully comply with any term or  
8 condition of probation is a violation of probation. If respondent violates probation in any respect,  
9 the Division, after giving respondent notice and the opportunity to be heard, may revoke probation  
10 and carry out the disciplinary order that was stayed. If an Accusation, Petition to Revoke Probation,  
11 or an Interim Suspension Order is filed against respondent during probation, the Division shall have  
12 continuing jurisdiction until the matter is final, and the period of probation shall be extended until  
13 the matter is final.

14 13. LICENSE SURRENDER Following the effective date of this Decision, if  
15 respondent ceases practicing due to retirement, health reasons or is otherwise unable to satisfy the  
16 terms and conditions of probation, respondent may request the voluntary surrender of respondent's  
17 license. The Division reserves the right to evaluate respondent's request and to exercise its discretion  
18 whether or not to grant the request, or to take any other action deemed appropriate and reasonable  
19 under the circumstances. Upon formal acceptance of the surrender, respondent shall within 15  
20 calendar days deliver respondent's wallet and wall certificate to the Division or its designee and  
21 respondent shall no longer practice medicine. Respondent will no longer be subject to the terms and  
22 conditions of probation and the surrender of respondent's license shall be deemed disciplinary action.  
23 If respondent re-applies for a medical license, the application shall be treated as a petition for  
24 reinstatement of a revoked certificate.

25 14. PROBATION MONITORING COSTS Respondent shall pay the costs  
26 associated with probation monitoring each and every year of probation, as designated by the  
27 Division, which are currently set at \$3,173, but may be adjusted on an annual basis. Such costs shall  
28 be payable to the Medical Board of California and delivered to the Division or its designee no later

1 continuing jurisdiction until the matter is final, and the period of probation shall be extended until  
2 the matter is final.

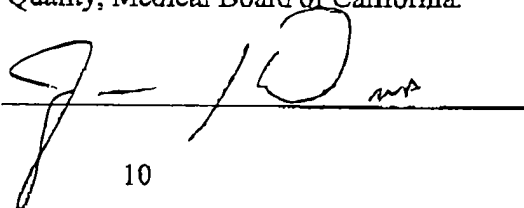

3 13. LICENSE SURRENDER Following the effective date of this Decision, if  
4 respondent ceases practicing due to retirement, health reasons or is otherwise unable to satisfy the  
5 terms and conditions of probation, respondent may request the voluntary surrender of respondent's  
6 license. The Division reserves the right to evaluate respondent's request and to exercise its discretion  
7 whether or not to grant the request, or to take any other action deemed appropriate and reasonable  
8 under the circumstances. Upon formal acceptance of the surrender, respondent shall within 15  
9 calendar days deliver respondent's wallet and wall certificate to the Division or its designee and  
10 respondent shall no longer practice medicine. Respondent will no longer be subject to the terms and  
11 conditions of probation and the surrender of respondent's license shall be deemed disciplinary action.  
12 If respondent re-applies for a medical license, the application shall be treated as a petition for  
13 reinstatement of a revoked certificate.

14 14. PROBATION MONITORING COSTS Respondent shall pay the costs  
15 associated with probation monitoring each and every year of probation, as designated by the  
16 Division, which are currently set at \$3,173, but may be adjusted on an annual basis. Such costs shall  
17 be payable to the Medical Board of California and delivered to the Division or its designee no later  
18 than January 31 of each calendar year. Failure to pay costs within 30 calendar days of the due date is  
19 a violation of probation.

JURISDICTION

3. This Accusation is brought before the Division of Medical Quality ("Division") for the Medical Board of California, Department of Consumer Affairs, under the authority of the following laws. All section references are to the Business and Professions Code unless otherwise indicated.

4. Section 14124.12 of the Welfare and Institutions Code states, in pertinent part:

"(a) Upon receipt of written notice from the Medical Board of California, the Osteopathic Medical Board of California, or the Board of Dental Examiners of California, that a licensee's license has been placed on probation as a result of a disciplinary action, the department may not reimburse any Medi-Cal claim for the type of surgical service or invasive procedure that gave rise to the probation, including any dental surgery or invasive procedure, that was performed by the licensee on or after the effective date of probation and until the termination of all probationary terms and conditions or until the probationary period has ended, whichever occurs first. This section shall apply except in any case in which the relevant licensing board determines that compelling circumstances warrant the continued reimbursement during the probationary period of any Medi-Cal claim, including any claim for dental services, as so described: In such a case, the department shall continue to reimburse the licensee for all procedures, except for those invasive or surgical procedures for which the licensee was placed on probation."

5. Section 2227 of the Code provides that a licensee who is found guilty under the Medical Practices Act may have his or her license revoked, suspended for a period not to exceed one year, placed on probation and required to pay the costs of probation monitoring, or such other action taken in relation to discipline as the Division deems proper.

6. Section 2234 of the Code states:

"The Division of Medical Quality shall take action against any licensee who is charged with unprofessional conduct. In addition to other provisions of this

1 article, unprofessional conduct includes, but is not limited to, the following:

2 "(a) Violating or attempting to violate, directly or indirectly, assisting in  
3 or abetting the violation of, or conspiring to violate any provision of this chapter [Chapter  
4 5, the Medical Practice Act].

5 "(b) Gross negligence.

6 "(c) Repeated negligent acts. To be repeated, there must be two or more  
7 negligent acts or omissions. An initial negligent act or omission followed by a separate  
8 and distinct departure from the applicable standard of care shall constitute repeated  
9 negligent acts.

10 "(1) An initial negligent diagnosis followed by an act or omission  
11 medically appropriate for that negligent diagnosis of the patient shall constitute a single  
12 negligent act.

13 "(2) When the standard of care requires a change in the diagnosis, act, or  
14 omission that constitutes the negligent act described in paragraph (1), including, but not  
15 limited to, a reevaluation of the diagnosis or a change in treatment, and the licensee's  
16 conduct departs from the applicable standard of care, each departure constitutes a separate  
17 and distinct breach of the standard of care."

18 7. Section 125.3 of the Code provides, in pertinent part, that the Division  
19 may request the administrative law judge to direct a licensee found to have committed a  
20 violation or violations of the licensing act to pay a sum not to exceed the reasonable costs  
21 of the investigation and enforcement of the case.

22 FIRST CAUSE FOR DISCIPLINE  
23 [Bus. & Prof. Code § 2234(b)]  
(Gross Negligence)

24 8. Respondent is subject to disciplinary action under section 2234(b) in that  
25 respondent undertook the care and treatment of patient M.O., a 36 year-old male, and attempted  
26 to surgically remove a temporal aneurysm from the right side of the patient's head on May 21,  
27 2002, when the x-rays clearly showed that the aneurysm was located on the left side of the  
28 patient's head. Subsequently, on May 22, 2002, respondent performed a second surgery to

1 remove the aneurysm from the left side of patient M.O.'s head.

2 SECOND CAUSE FOR DISCIPLINE

3 [Bus. & Prof. Code § 2234(c)]

4 (Repeated Negligent Acts)

5 9. Complainant re-alleges paragraph 8 above and incorporates it herein by  
6 reference as if fully set forth at this point. Respondent is subject to disciplinary action under  
7 2234(c) of the Business and Professions Code in his treatment of patient M.O., as alleged in  
8 paragraph 8, and A.F. as more fully described below.

9 10. Respondent undertook the care and treatment of patient A.F., a 36 year-  
10 old male with cervical spondylosis. Respondent performed a laminectomy and fusion surgery on  
11 patient A.F. at cervical level 6-7 on October 18, 2001. However, respondent charted the  
12 operation on A.F. at the cervical level 5-6, not level 6-7, and such charting error constitutes a  
13 simple departure from the standard of care. This departure taken in combination with the  
14 departure in operating on the wrong side of patient M.O.'s head constitute repeated acts of  
15 negligence in violation of section 2234(c) of the code.
